UGANDA

Language: English is the language of instruction. There is a move to introduce Swahili as the other compulsory language in schools (with Uganda's presence in East Africa).

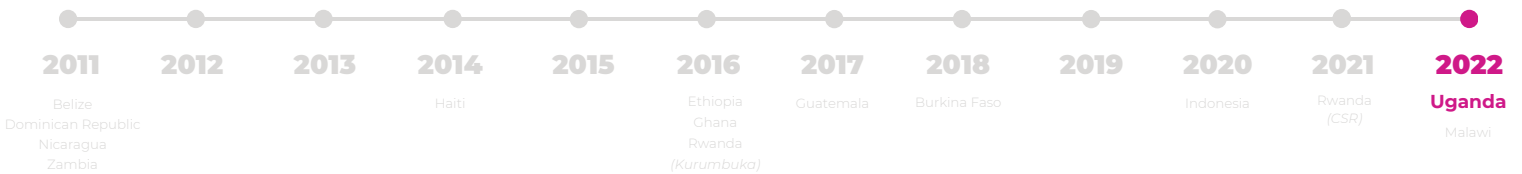

Population: 48.58 million

Schools: School is neither compulsory nor free.

- *Universal Primary and Secondary Education (within the public system) still require pupils to pay some fees, but it is only slightly less than private schools*
- *Most private schools do not get government funding, but a few are government-aided*

Teacher Retention Rate

Schools experience a very high turnover rate of teachers. Most schools are funded through tuition, so schools struggle to pay teachers.
